

SCHOOL IMPROVEMENT PLAN 2026-27

QUALITY OF EDUCATION

Develop an integrated English and Maths Functional Skills curriculum that prepares students for adulthood through meaningful, contextualised learning.

Develop In Toto Enterprises to provide enterprise, entrepreneurial and employment opportunities across all curriculum pathways.

PERSONAL DEVELOPMENT

Develop an outstanding Careers, Preparation for Adulthood (PfA), Work Experience and Employability programme for every student.

Establish the In Toto Ed Lecture Series to broaden aspirations, cultural capital and understanding of future opportunities.

BEHAVIOUR AND ATTITUDES

Develop a fully integrated therapeutic provision including Sensory Circuits, Speech and Language Therapy (SaLT) and Occupational Therapy (OT).

LEADERSHIP AND MANAGEMENT

Ensure rigorous implementation, monitoring and evaluation of the School Improvement Plan.

Strengthen safeguarding practice so that all students feel safe, staff act with confidence and concerns are identified, recorded and escalated promptly.
