

Message from Head of In Toto Cambridge

I would like to start by saying a huge “thank you” to all of the students, staff and parents/carers for making me feel so welcome over my first half term here at In Toto Ed Cambridge. The last five weeks have flown by but it also feels like I have been here forever!

I have really enjoyed meeting everyone and learning about their backgrounds and aspirations for the future. I was excited to start and now that I am here, I am even more excited to lead our school into the next phase of its future.

On that, we were thrilled to receive confirmation that [In Toto Ed Cambridge is now an Independent Special School](#) for our pre-16 provision. This will mean some changes to our offer for Years 7 to 11 which we are finalising strategically and operationally in the background.

I have visited lots of lessons recently and seen some wonderful teaching and learning happening. What is very clear is the commitment that staff here have to making lessons accessible for all students. I am looking forward to working with all staff to develop our lessons even further.

I will leave you with my vision for In Toto Ed for the future; that is for everyone to have an exceptional experience, every day.

All the best for a restful and fun-filled Easter break
Mark

Cambridge news

Beauty update

This term in Beauty, KS4 students have been building their skills in manicure techniques, while Post 16 students have explored creative nail art, experimenting with new designs and techniques. It's been fantastic to see their progress, creativity, and confidence grow.

Arbor Parent Portal App

Please remember you can update information with hold on your child and receive important updates from us via the Arbor Parent Portal App. You will have been sent log in details to the email address we hold on to the system for you. If you have lost these, please reach out to us and we can resend them. You will need the Arbor App installed on your mobile phone which can be downloaded for free. It is important to keep your child's information as up to date as possible so in the case of an emergency we can ensure there is no delay in getting information to you.

As a reminder we are required to have two emergency contacts for your child, so please let us know your who else we can contact in an emergency. This does not have to be a relative but they must be over 18 and aware that they may be contacted in an emergency.

We're using the Arbor Parent App!

See and manage your child's day-to-day school information. Understand their progress, make payments and bookings, and receive in-app messages - all from one app

Scan the QR code to download the Arbor Parent App, and use your email address to log in

Attendance

All students' absence must be reported by 9am on the first day of absence and each subsequent day. Please ensure you either call the main office number **01223 344355** and select option 1 to leave a brief message detailing your child's name, the reason for their absence and your name.

If you are unable to call the office, please email Cambridge@in-toto-ed.com before 9am.

If your child is off with vomiting or diarrhea please be advised they will need to remain off school for 48hrs after the last episode to ensure they are well enough return and reduce risks of spreading infection.
