

Message from Head of In Toto London

Dear all,

At the time of writing, our Year 11 students are well underway with their GCSE and Functional Skills examinations, and some of our Year 13 students have already begun their A-levels. Many students are also now finishing off their vocational qualifications.

We have also started transitioning many of our Key Stage 3 and 4 students onto full-time timetables. Our Post-16 students are now enjoying a new common room area, providing them with a dedicated social space between lessons. Meanwhile, we have been busy preparing staffing, curriculum, and timetables for the next academic year, as well as refining the curriculum following a review of our current offer.

Sadly, Amanda will be leaving us at half-term to spend more time with her family and to travel. We thank her for her contribution and wish her all the very best for the future.

We look forward to welcoming all students back to school after half-term on Monday 1 June.

Best wishes
Emily

London news

Using Transport trip

Students have been developing valuable independence skills through the ASDAN "Using Transport" unit, learning how to plan journeys and travel confidently. A recent trip to London Bridge and Tower Bridge gave them the chance to put these skills into practice while exploring some of London's most iconic landmarks.

Sports update

This half term, we have been doing lots of activities: football, table tennis, badminton, working out in the gym, tennis, volleyball, and water sports – including sailing, kayaking, canoeing and rowing.

We have also been planning our first whole school charity event – a sponsored walk/jog/run in Greenwich park on 4th June 2026.

We are raising money for the Greenwich and Bexley Hospice. If you would like to get involved and / or sponsor the team, speak with [Rich Ankah](#).

Year 11 enrichment

We will be offering a programme of work experience and enrichment activities to Year 11 students, after their summer exams have finished.

Activities on offer include trips, creative arts, work experience preparation and participation, and outdoor activities.

This programme is optional; students may also attend regular school lessons during this time if they prefer.

For more information and to select your student's preference, please contact [Camilla Beecham, Deputy Head](#).

GCSE results day

Results of 2026 GCSE summer exams will be released on Thursday 20 August.

Students and parents are invited into school from 9-11am to collect their results.

If students are unable to make it on the morning of the 20th, please can parents/carer contact [Camilla Beecham, Deputy Head](#) to make alternative arrangements.

New Post-16 Common Room

We are delighted to celebrate the transformation of our Post-16 common room into a bright, open, and welcoming space for students.

By knocking through the wall, the area has been expanded to create a much more spacious environment where students can relax, collaborate, and enjoy their time between lessons. This improvement reflects our commitment to providing a supportive and inspiring setting for our Post-16 community, and we hope it will be a space that students take pride in and make full use of.

The new school day

As an Independent Special School now registered with Ofsted, we are really pleased to now be offering full-time education to Key Stage 3 and 4 students.

You can find out more about the new full-time timetable on The School Day page on our website.

Arbor Parent Portal App

Please remember you can update information we hold on your child and receive important updates from us via the Arbor Parent Portal App. You will have been sent log in details to the email address we hold on the system for you. If you have lost these, please reach out to us and we can resend them. You will need the Arbor App installed on your mobile phone which can be downloaded for free. It is important to keep your child's information as up to date as possible so in the case of an emergency we can ensure there is no delay in getting information to you.

As a reminder we are required to have two emergency contacts for your child, so please let us know your who else we can contact in an emergency. This does not have to be a relative but they must be over 18 and aware that they may be contacted in an emergency.

We're using the Arbor Parent App!

See and manage your child's day-to-day school information. Understand their progress, make payments and bookings, and receive in-app messages - all from one app

Scan the QR code to download the Arbor Parent App, and use your email address to log in

Dates for your diary

- 1. Thursday 4 June** - Sports Department Sponsored Walk/Run
- 2. Thursday 9 July** - Year 11 Leavers Event and Creative Arts Exhibition at 1 Cresswell Park
- 3. Friday 17 July at 1pm** - Term Ends

Attendance

We expect all students to attend every lesson scheduled on their timetable. Good attendance is essential to ensure progress is made - and it also enables staff to give students the support they need. Please visit our website for more information on our absence procedures.
