

## Message from Interim Head of In Toto Cambridge

### **A Wonderful Term of Growth and Exploration**

As Interim Head of School for Cambridge, it has been a delight to see our student numbers grow over the course of this term. Our students have actively engaged in a variety of exciting curriculum activities, from composing their own music to conducting outdoor scientific experiments.

In cookery, they have mastered a range of delicious dishes, including chicken pies and sausage and egg muffins. Some students also had the opportunity to attend a stained-glass window trip, producing some truly beautiful work. With the arrival of sunnier days, we have been making the most of our stunning school grounds, enjoying outdoor learning and activities in the fresh air. It has been a fantastic term, and we look forward to even more enriching experiences ahead!

I wish you all a lovely Easter break and I look forward to welcoming them back for the summer term.

Stacey Green,  
Interim Head of School, Cambridge, and Director of HR, Compliance & Safeguarding

## News

In Toto Ed Cambridge has been granted the planning permission required to become a school – the next step is Ofsted registration! This is immensely exciting as it will allow us to expand learning capabilities.

## Curriculum Highlights

Our Year 10 Science class made model cells.

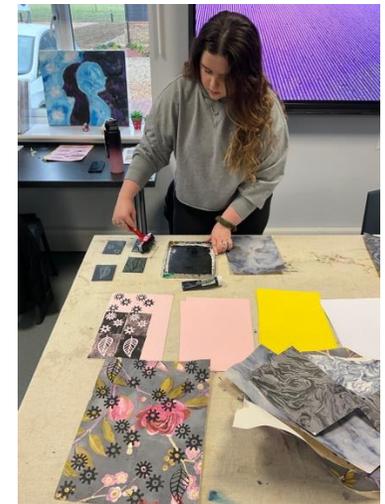

Some of our Post-16s went to Ely Cathedral for a glass fusion workshop and learn how to create stained glass.

In Toto Ed students had a go at making pinch pots.

In Toto art students work from across March
